(a) After the board of county commissioners has made its appropriations to the local school administrative unit, or after the appeal procedure set out in G.S. 115C-431 for the capital outlay fund has been concluded, the board of education shall adopt a budget resolution making appropriations for the budget year in such sums as the board may deem sufficient and proper. The budget resolution shall conform to the uniform budget format established by the State Board of Education.

(b) The following directions and limitations shall bind the board of education in adopting the budget resolution:

- (1) If the county budget ordinance allocates appropriations to the local school administrative unit pursuant to G.S. 115C-429(b), the school budget resolution shall conform to that allocation. The budget resolution may be amended to change allocated appropriations only in accordance with G.S. 115C-433.

- (7) In estimating revenues to be realized from the levy of school supplemental taxes pursuant to a local act or G.S. 115C-501 to 115C-511, the estimated percentage of collection may not exceed the percentage of that tax actually realized in cash during the preceding fiscal year, or if the tax was not levied in the preceding fiscal year, the percentage of the general county tax levy actually realized in cash during the preceding fiscal year.
- (8) Amounts to be realized from collection of supplemental taxes levied in prior fiscal years shall be included in estimated revenues.
- (9) No appropriation may be made to or from the capital outlay fund to or from any other fund, except as permitted by G.S. 115C-433(d).
